Classification	Public

1 Overview

1.1 Scope

- The purpose of this document is to describe how the ICS inventory system works.
- The purpose of this document is to provide the predefined bar codes in order to help users to stock any equipmen with only given bar code scanner.

1.2 Target Audience

This document is targeted to ICS engineers and technical stakeholders of the ICS inventory system.

2 Frequently Usage Case

2.1 MTCA

2.1.1 MTCA IOxOS IFC1410

2.1.2 MRF EVR-300DC

2.2 Network Device

2.2.1 MOXA Nport 6650

2.2.2 HP Network Switch
